

## **Haga Park, north section, Stockholm, Sweden**

This walk in the northern section of Haga Park is about 1 hour. There are interesting buildings to see and two interesting places to have coffee.

The Butterfly House is quite something and especially worth a visit in the winter.

It is open weekdays 10-17, Sat-Sun 11-17.

The 515 bus from Odenplan stops at the park entrances.

Make sure that you get off at the second Haga bus stop called Haga Nora.

Follow the blue dots and you could even add a little extra by taking some of the side paths. There is an old ruin and paths that lead to the edges of the water. Bring a friend and a coffee thermos or plan to stop at any of the restaurants or cafés.

Café information:

Kafe Fjaril, 10-17 M-F, 11-17 S+S, 730 3981

Koppartälten . . . it really is a copper tent. It's worth a visit.

Summer 10.00 -17.00 everyday

Winter 11.00 – 16.00 every day
