

## **Haga Park, south section, Stockholm, Sweden**

This walk in the southern section of Haga Park is about 1 hour. There are lots of side paths to take to create a longer walk.

The 515 bus from Odenplan stops at the park entrances.

Make sure that you get off at the first Haga bus stop called Haga Söder.

It is also an easy walk from the northern sections of Stockholm. A walking tunnel takes you under the heavy traffic area at the top of Sveavagen, outside of Wenner-Gren Center.

Bring a friend and a coffee thermos or plan to stop the café.
