

## **Water Walk, Stockholm, Sweden**

Walking along the water on a path located between an eastern section of Stockholm and Djurgården. Walk anytime that suits you and plan your walk in either direction.

The 47 bus stops just before Djurgårds bridge and just across the bridge in front of the Nordiska Museet.

Follow the blue dots and add a little extra by taking some of the side paths. Rosendal is interesting and has lovely gardens. Bring a friend and a coffee thermos or plan to stop at any of the restaurants or cafés.
